Subject: RE: Region 7 availability for Support: WERG Deployment to Albuquerque, New Mexico

Per our conversation tonight please deploy your folks tomorrow to Farmington NM. Our folks are staying at the Marriott Courtyard, but I don't know if government rate is still available there.

The OSC contact in the field is Jon Rinehart, 214.789.1713. And sat phones are not necessary. We will initially ask for a 10 day deployment and update you at the end of the week.

Thank you! Susan

Deputy RIC,

Gold King Mine Spill

Susan Webster, Chief

Subject: Region 7 availability for Support: WERG Deployment to Albuquerque, New Mexico

Susan,

Just a R7 afternoon update. Re Region 7 availability. We have had no response from our R7 Community Engagement staff. Read below for where we stand / what we know re. R7 WERG members availability. We will not make travel plans until you tell us where to go (which airport and which command post to report to).

Thanks

Ken B and Ken D

Subject: WERG Deployment to Albuquerque, New Mexico

Ken, Mary and Roy,

WERG Deployment to Albuquerque, New Mexico - These are the WERG Members I have as of today at 4 pm. I would suggest the earliest that these team members could deploy would be Wednesday or Thursday. I am waiting to hear back from Larry Shepard on his availability, though he did have an interest. Also several WERG members did not work today and they may respond tomorrow morning. I will provide an update at that time.

Roy will determine if these members meet the Health and Safety requirements to be deployed.

Ken
